

## Limited Plant Guarantee

Thank you for entrusting your landscape installation with Earthadelic. We maintain the highest standards in everything we do which allows us to stand behind all of the products we use in delivering our services. This includes a limited one (1) year, (from the date of planting), guarantee of most plant material we install in your landscape. Our plant guarantee includes removal of the warranted plant material and replacement planting by Earthadelic landscape professionals.

Plants are living organisms and in addition to proper selection and planting require adequate care to survive. (Please see our plant care guide) All plants are stressed at the time of planting and most don't begin to really thrive until the third year in their new environment. The terms of our plant guarantee are listed below and Earthadelic reserves the exclusive right of determining the application of these guarantee terms by one of our landscape professionals. One of the core tenants on which our business is built is integrity and a reflection of this is our track record of more than fair assessments on guarantee claims.

### Terms of Limited Plant Guarantee

- One (1) replacement for one (1) year from date of planting. (replacements not guaranteed)
- Payment for original plants are paid in full by customer
- Customer has notified Earthadelic of unusual condition of plants likely indicating poor health prior to death when realistic.
- Gross negligence of plant care, e.g., failure to water regularly, failure to provide reasonable winter protection, physical damage such as mowers, cars, weed eaters, etc.
- Plants are damaged or killed due to acts of nature such as storms, drought, ice storms
- Plants are damaged or killed due to wildlife damage, e.g., deer or insects
- Plants are planted in customer acknowledged poorly draining area
- Plants specifically excluded from guarantee

---

### Plants Excluded from Guarantee:

- All Annuals
- Gardenia
- Indian Hawthorn
- Loropetalu
- Ornamental Grasses
- Rosemary
- Lavender
- Tropicals

Guarantee is not transferable and does not cover any care or maintenance subsequent to planting replacement plant material.
